Prof. Dr. Søren Overgaard
EFORT Chairman Science Committee

Dear Industry Partner,

It will be a great pleasure to finally welcome you to Vienna in Austria for this 22nd EFORT Annual Congress taking place from 30 June to 02 July 2021.

Building on the learnings from 2020, the impact on our communities and facing the challenges of the future, the scientific and educational focus will deliver the best of each discipline.

We are honored to welcome APOA, the Asia Pacific Orthopaedic Association, who will be our Invited Association as part of the EFORT invited nation programme this year and who will bring features of Orthopaedics and Traumatology from Asia.

Our main theme is **Sustainable Professional Practice**.

Industry is synonymous with creativity and sustaining professional practice. Many of the practices, tools and techniques we use today would not exist without the role and input of industry partners. One key role of EFORT is to showcase best practice and help ensure sustainability for our profession and our patients – whilst ensuring such solutions are in the interests of the many and not the few. We therefore welcome this opportunity of collaborating even more closely with our industry partners alongside our esteemed colleagues from Europe and worldwide in highlighting such an important topic and taking the best learning possible to share within our community.

Clearly you, our industry partners, are also key players in delivering and spreading sustainable professional practice. As each year, the congress experience would be incomplete without your support and participation and we once again encourage you to participate with this congress theme and mission in mind. Help us help you make the three day experience of the annual congress even more fulfilling and satisfying for yourselves and our delegates.

An ongoing demand and request from EFORT member societies continues to be "better European wide collaboration and sharing". This year's theme fulfills this objective. **Thus EFORT needs YOUR support and cooperation in providing these solutions.** Please contact sponsorship@efort.org with your ideas on how you could work with us in delivering such services.

Thank you for helping EFORT be at the forefront of medicine and improving health care for our patients. The EFORT Leadership, our committee members, ambassadors and Head Office staff thank you for your participation. We look forward to welcoming you once again in Vienna for the 22nd EFORT Congress, delivering independent and unbiased science in a safe, lively, compliant and respectful educational environment..

A CITY OF RICH CULTURAL AND HISTORICAL HERITAGE

The Austrian capital is world-famous for its rich cultural and historical heritage that can be sampled in over 100 museums or just by strolling the streets of the old city centre that belongs to the UNESCO world cultural heritage. Vienna is known as one of the music capitals of the world. There is no other city where so many famous composers have lived, and music tradition is kept alive in Vienna's famous opera house and concert halls. Modern musicals have replaced the old operetta, with two theatres devoted to this genre alone. Nowadays Vienna is also known as a modern art centre and a city with a very high quality of life. In addition to sites of historical interest the city offers fine examples of innovative architecture, fashionable shopping areas, and the chance to experience the Viennese lifestyle in its traditional coffee houses, the Heurigen (wine taverns), trendy bars, sausage vendors and discos. Austria fully respects and adheres to the most practical, up-to-date and secure health measures following the 2020 pandemic to ensure maximum security for all.

Terms and conditions

General Terms and Conditions

TERMS OF COLLABORATION

Full Terms and Conditions are available online at <https://congress.efort.org> and all products, services and pricing shown here in this brochure are subject to your acceptance of the Terms and Conditions.

Please refer to these in the first instance for any queries you may have. Below, however, are some summary points of the key terms and conditions.

Industry activities

Closed industry meetings on-site are permitted subject to respecting the following key criteria: such a meeting must not feature any form of promotion or advertising to congress delegates. Attendance is limited according to the pre-determined size of the room, and for company-invited guests ONLY. Each guest must be in a possession of a correctly named EFORT registration badge. Any company or organisation found in breach of this is subject to a penalty fee.

External hotel satellite-style events are not permitted and contrary to our Terms and Conditions. Any company or organisation found to have held any form of scientific satellite/workshop or open delegate invitation to an educational evening event during the published congress dates will be invoiced for the equivalent cost of a satellite session in addition to a financial penalty.

CONFIRMATION OF EXHIBITION SPACE AND SPONSORSHIP APPLICATIONS

Written confirmation and subsequent invoicing by EFORT constitutes the sole document of acceptance and admittance to the exhibition, and is issued exclusively to the applicant, under the specific terms stated herein.

PAYMENT AND CANCELLATION POLICIES

For full details of the payment and cancellations terms please read the full [General Terms and Conditions online](#).

CANCELLATION POLICY

A sponsor may withdraw its application for an exhibition space activity or satellite activity in writing prior to 31 December 2020 and will receive a refund of 70% of the amount paid within 60 working days.

The withdrawal of an application received after 31 December 2020 will not entitle the sponsor to any refund.

Please read the full [Terms and Conditions online](#). Any cancellation fees will be invoiced inclusive of VAT, if applicable. No payment obligation exists if the company which has registered for exhibition space or other forms of presentation can prove that no loss has been incurred, or that any such loss amounts to less than the cancellation fee. If parts of the services which have been registered for are cancelled, then cancellation fees as mentioned above will be invoiced for the cancelled services. On-site cancellations do not by any means imply the dismantling of booth and other structures without the express written permission of EFORT.

PRICING POLICY

Prices in this sponsorship catalogue are calculated on market sector rates and previous EFORT congresses, taking into account both location and sector variances. The application is legally binding upon the sponsor, pending its acceptance in writing by the organiser and assumes that the sponsor has read and accepted the [General Terms and Conditions](#).

LIABILITY – Liability of congress organisers

The congress organisers, and our appointed PCO, Congrex Switzerland, has secured liability insurance for the event which covers damage to property and personal injury. The exhibition area, including presentation rooms, is guarded or locked at night. However, this security measure excludes surveillance of individual stands and presentation materials. The night patrols/general lock-up at night that are/is carried out do/does not extend to liability for all damage to property or personal injury. The congress organisers and Congrex Switzerland are liable only for damage or loss resulting from malicious or gross negligence. A separate fire protection watch will be deployed, if required under local provisions.

Claims must be submitted to EFORT immediately. A claim becomes invalid if not recognised by the organisers and the exhibiting or presenting company does not pursue the matter before the courts within six months. The organisers accept no liability whatsoever for loss or damage resulting from disruptions caused by fluctuations in services rendered or force majeure, or for services being suspended on the instructions of the local public utilities or the local power supply company. The organisers cannot be held responsible for natural disasters (*for full details on liability, please consult the [General Terms and Conditions](#)*). The organisers are not liable, either during the event or during transportation, for loss, theft or damage in respect of exhibition and/or presentation items or personal belongings brought in. No further claims, such as for lost earnings, damages for consequential losses and similar, will be accepted.

IMPORTANT

The Sponsorship agreement between the SPONSOR and EFORT consists of:

- Dated and duly signed Application Form;
- General Terms and Conditions of Sponsorship;
- EFORT Congress exhibitor & sponsorship brochure.
