

21st EFORT Congress 2020 Vienna, Austria - Friday 12 June

| Room | Vienna | Lisbon | Munich | Barcelona | Berlin | Copenhagen | Brussels | Madrid | Helsinki | Florence | Nice | Geneva | London |
|-------|---|--|--|--|---|---|---|---|--|--|---|--|--|
| 08:00 | Hip Revision Surgery: Indications, Techniques And Tips And Tricks (Symposium) | EFORT Foundation Symposium: Impacts Of Life Style Factors On Outcome | SECEC Session The Proximal Humerus Fracture In 2020 | AOTrauma Session | Oligometastases: Current View And Surgical Treatment (Symposium) | Robotic-Assisted Knee Arthroplasty (Symposium) | Hip And Femur Fractures Management And Outcomes (FP Session) | ACL Deficient Knee Is Not Only ACL Reconstruction (Symposium) | Paediatrics Orthopaedics: Foot, Miscellaneous (FP Session) | Midshaft Clavicle Fractures: Is There A Problem? (Symposium) | Return To Daily Life After Spinal Trauma (Symposium) | ESTROT Session Current Insights In Bone Restoration | FESSH Session Complex Fractures Of The Hand And Wrist |
| 08:30 | | | | | | | | | | | | | |
| 09:00 | | | | | | | | | | | | | |
| 09:30 | | | | | | | | | | | | | |
| 10:00 | Hip Preservation | General Topics: Miscellaneous Trauma (FP Session) | SECEC Session Revision Shoulder Arthroplasty | Clinical Reports - Poly, Pelvic & Varia Trauma | Prognosis And Quality Of Life (FP Session) | Planning In Revision Knee Arthroplasty: Key Points For A Good Job (IEE) | Proximal Femur Fracture – The Case I Have Learnt The Most (IEE) | Perioperative Management In TKA (FP Session) | Outcome Of Ponseti Method In Idiopathic Clubfoot: Surgeon Versus Parent-Dependant (DF) | Shoulder & Upper Arm Trauma - Clavicle (FP Session) | Controversies In Treatment Of Acute Thoracolumbar Trauma (DF) | Basic Sciences (FP Session) | EWAS Session Arthroscopy - Useful In Treatment Of Wrist Fractures |
| 10:30 | THA In Sickle Cell Disease | | | Trauma: Soft-Tissue (FP Session) | Treatment Of Different Entities And Biopsies (FP Session) | | | Key Factors For TKA Success (FP Session) | Sports Injuries In The Paediatric Athlete | Shoulder & Upper Arm Trauma - Humerus (FP Session) | Spine Trauma (FP Session) | | |
| 11:00 | Primary THA, Thrombosis, Prophylaxis (FP Session) | Surgeon Health And Varia (FP Session) | | SECEC Session Revision Shoulder Arthroplasty | Trauma: Soft-Tissue (FP Session) | Treatment Of Different Entities And Biopsies (FP Session) | Planning In Revision Knee Arthroplasty: Key Points For A Good Job (IEE) | Proximal Femur Fracture – The Case I Have Learnt The Most (IEE) | Key Factors For TKA Success (FP Session) | Paediatric Orthopaedics: Knee (FP Session) | Shoulder & Upper Arm Trauma - Humerus (FP Session) | Spine Trauma (FP Session) | Biomechanics & Methodology (FP Session) |
| 11:30 | | | | | | | | | | | | | |
| 12:00 | | | | | | | | | | | | | |
| 12:30 | EFORT Michael Freeman Honorary Lecture What is Anterior Cruciate Ligament? | | | | | | | | | | | | |
| 13:00 | LUNCH BREAK | | | | | | | | | | | | |
| 13:30 | | | | | | | | | | | | | |
| 14:00 | | | | | | | | | | | | | |
| 14:30 | | | | | | | | | | | | | |
| 15:00 | RSA Migration And Implants, Choices For Best Implants (Symposium) | Custom-Made Hip Arthroplasty For Revision Surgery (Symposium) | Foot & Ankle: Various (FP Session) | Early Total Care, Early Appropriate Care Or Damage Control Orthopaedics? (Symposium) | Reconstruction Techniques After Proximal Humerus Tumor Resection (CCD) | Partial Knee Replacement: How Far We Can Push It? (IEE) | Periprosthetic Acetabular Fractures (CCD) | Applications Of Ultrasound In Upper Limb Surgery (Symposium) | Paediatric Trauma: Upper Limb (FP Session) | Floating Elbow (Symposium) | EUROSPINE Session Ankylosing Disorders Of The Spine | ÖGO Session - DAIR Procedure For Periprosthetic Joint Infection: Hype, Hope Or Flop? (Symposium) | Intramedullary Screw Fixation Of Metacarpal & Phalangeal Fractures |
| 15:30 | | | | | | | | | | | | | Hand & Wrist Trauma (FP Session) |
| 16:00 | | | | | | | | | | | | | |
| 16:30 | | | | | | | | | | | | | |
| 17:00 | NORE Session (Symposium) | Process Organisation: OR Efficiency And Rapid Recovery (Symposium) | Ankle And Hindfoot (FP Session) | Poly, Pelvic & Varia Trauma - 2 (FP Session) | Limb Salvage And Reconstruction For Bone Tumours. Surgical Treatment Of Metastases (FP Session) | Preoperative Factors Do Influence The Outcomes In TKA (FP Session) | Complications And Mortality Issues (FP Session) | Shoulder Arthroplasty (FP Session) | Clinical Reports Paediatrics incl. Trauma | Glenoid Fractures | Shoulder & Upper Arm Trauma - General (FP Session) | New Tests And Treatments For Bone And Joint Infections (FP Session) | Distal Radius Fracture In Elderly |
| 17:30 | | | | | | | | | | Distal Radius Fractures (FP Session) | | | |
| 18:00 | | | | | | | | | | | | | |
| 18:30 | | | | | | | | | | | | | |
