

23rd EFORT Congress 2022 Lisbon, Portugal - Wednesday 22 June

Room	Lisbon	Barcelona	Nice	Istanbul	Florence	Vienna	Geneva	London	Berlin	
08:30										
09:00		ARTOF/ESPA Session (Specialty & Partner Societies)	Bone Morphology In Knee Surgery (Symposium)	How Do We Diagnose Prosthetic Joint Infections? (FP Session)	Hip Preservation (FP Session)	UKA Function And Outcome (FP Session)	Flatfoot And Tendons (FP Session)	Education (FP Session)	Proximal Humeral Trauma (FP Session)	
09:30										
10:00										
10:30		Hip Trauma - Fixation Of Proximal Femoral Fractures (FP Session)	ESSKA Session (Specialty & Partner Societies)	EBJIS Session (Specialty & Partner Societies)	EFORT Symposium - National Guidelines - Hip Osteoarthritis (Symposium)	Optimising Primary TKA Perioperative Management (FP Session)	Talus Osteochondral Lesion: Still A Problem? (IL) What Did You Do With This Ankle? (FP Session)	Registries And Beyond (FP Session)	Spine & Acromial Fracture In RTSR (Symposium)	
11:00										
11:30	OPENING SESSION									
12:00										
12:30										
13:00	LUNCH BREAK									
13:30										
14:00										
14:30										
15:00	IPSSI Session - Challenges For Health Systems And Staff During War (Symposium)	Acetabular Fractures In Elderly & Nonagenarians (IL)	Robotics In TKA (FP Session)	Comprehensive Review Course Section #1	Back To The Future With Proximal Femur Osteotomies (Symposium)	THA Complications (FP Session)	Infection In Foot & Ankle Surgery (Symposium)	Wrist Fractures (FP Session)	Proximal Shoulder Girdle Trauma (FP Session)	
15:30		Proximal Femur Fractures And Anti-Coagulants (IL)								
16:00										
16:30	IPSSI Session - Medical Device Regulation (MDR) In Active Mode – Current Effects On Orthopaedics And Traumatology	Knee Trauma - Tibial Plateau Fractures (FP Session)	How To Select The Revision TKA Implant Your Patient Needs? (Symposium)			New Technologies And Diagnostics (FP Session)	Alignment & Surgical Technique In Primary TKA (FP Session)	EFAS Session (Specialty & Partner Societies)	Wrist and Scaphoid Fractures (FP Session)	Shoulder Girdle Trauma – What Would You Do? (IEE)
17:00										
17:30	NORE/ISAR (Symposium)	Knee Trauma - Tibial Shaft Fractures (FP Session)	High Tibial Osteotomy (FP Session)		THA Bearings And Wear (FP Session)	When And How To Use Knee Small Implants (Symposium)	Hallux (FP Session)	All You Need To Know About Scaphoid Fracture Treatment (Symposium)		
18:00										
18:30										

23rd EFORT Congress 2022 Lisbon, Portugal - Friday 24 June

Room	Lisbon	Barcelona	Nice	Istanbul	Florence	Vienna	Geneva	London	Berlin
08:00	Primary THA Miscellaneous II (FP Session)	Foot & Ankle Trauma 3 (FP Session)	Techniques And Outcome In Revision TKA (FP Session)	EHS Session (Specialty & Partner Societies)	Resection And Reconstructions (FP Session)	Treatment Of Acute Osteomyelitis & Septic Arthritis In Children (Symposium)	Trauma Of The Cervical And Thoracolumbar Spine (FP Session)	Quality Management (FP Session)	Shoulder Trauma: Miscellaneous (FP Session)
08:30									
09:00									
09:30	The Treatment Of Hip Instability After Primary THA (DF)	The Complex Tibia Pilon Fracture: Plates Or Ex-Fix? (Symposium)	Best Perioperative Management In TKA For My Patients (DF)	Primary THA Miscellaneous III (FP Session)	Musculoskeletal Oncology Innovations Responding To Modern Patient Needs (Symposium)	Paediatric Hip: SCFE And DDH (FP Session)	Degenerative Spine I (FP Session)	Sustainable Working Life & Patient Prioritizing (FP Session)	Elbow Instability (Symposium)
10:00									
10:30									
11:00	VET Prophylaxis Under Debate: Consensus And Evidence (Symposium)	War Victims – Are We Prepared? (Symposium)	Optimising Osteotomies Around The Knee (IL)	Patient Expectations Following Primary THA - Cultural, Gender & Age Differences (Symposium)	Prosthetic Reconstructions And Oncologic Outcome (FP Session)	EPOS Session (Specialty & Partner Societies)	EUROSPINE/ISLASS (Specialty & Partner Societies)	Fracture-Related Infections In Low & Middle-Income Countries (IL)	Elbow Trauma (FP Session)
11:30			Extensor Mechanism Ruptures (IL)						
12:00	EFORT Michael Freeman Honorary Lecture								
12:30	Disheartening Disparities: Inequitable Access To Trauma And Orthopaedic Care In Malawi								
13:00	LUNCH BREAK								
13:30									
14:00									
14:30									
15:00									
15:30	Code Of Conduct For Research Integrity - Research Misconduct (Symposium)	Periprosthetic Fractures Of The Hip (Symposium)	Not Necessarily Robotic TKA In 2022? (Symposium)	Primary THA Miscellaneous IV (FP Session)	Treatment Of Fatty Tumours Of The Limbs (IL)	Paediatric Foot: PEV And Miscellaneous (FP Session)	Surgical Treatment Of Lumbar Disc Herniations - Crossfire (Symposium)	Video Presentations Of Surgical Techniques For Bone Infections (Symposium)	Shoulder Miscellaneous (FP Session)
16:00									
16:30	European Best National Paper Initiative (FP Session)	ESTES Session (Specialty & Partner Societies)	Clinical Outcome After TKA (FP Session)	Primary THA Miscellaneous V (FP Session)	Paediatric Tumors, Metastases And Miscellaneous (FP Session)	Paediatrics: Infection & Miscellaneous (FP Session)	Idiopathic Scoliosis, From Heredity To Genetics (IL)	Fracture-Related Infection And Biomaterials (FP Session)	Centralisation Of Elbow Replacements? (DF)
17:00							Growing Spine (FP Session)		
17:30	FORTE Session (Symposium)	Fragility Fracture Network (FFN) Session (Symposium)	TKA Complications (FP Session)	Changing World With Precision Hip Surgery? Robotics, Navigation, And Augmented Virtual Reality (Symposium)	EFORT Foundation: Impact Of Life Style Factors On The Outcome Of Orthopaedic Operations	Paediatric Trauma: Trauma Forearm And Lower Leg (FP Session)	Degenerative Spine II, Experimental Studies And Infection (FP Session)	What's New In Bone & Joint Infection? (FP Session)	Elbow (FP Session)
18:00									
18:30
