21st EFORT Congress 2020 Vienna, Austria - Thursday 11 June

Room	Vienna	Lisbon	Munich	Barcelona	Berlin	Copenhagen	Brussels	Madrid	Helsinki	Florence	Nice	Geneva	London	
08:00 08:30 09:00	Full Day On Advanced Total Knee Replacement	EHS Session Harmonize Trunnionosis, Modularity And Head Size In THA: Evidences And Practical Suggestions In 2020	Trauma Group - Late Night Surgery (Symposium)	Pelvis, Hip & Femur: Systematic Reviews (FP Session)	Poly, Pelvic & Varia Trauma - 1 (FP Session)	How To Select The Patients And The Implants (FP Session)	Foot & Ankle Trauma 1 (FP Session)	Rotator Cuff (FP Session)	Paediatric Orthopaedics: Hip, Neuromuscular, Upper Extremity (FP Session)	Has The Paradigm Of Alignment In TKA Changed? (FP Session)	Spinal Deformity, Degeneration And Beyond (FP Session)	Controversies In The Management Of Infected Total Hip Arthroplasty (Symposium)	Women In Orthopaedic And Traumatology Surgery (Symposium)	
10:00			Arthroplasty For Acute Knee Fractures Anterior Approaches To The Acetabulum - Which One To Choose?	Primary THA 3 (FP Session)	ARTOF Session Open Fractures Of The Tibia - Current Management Strategies Proximal Femur Fractures In Patients Taking Anticoagulants Innovations And Performance (FP Session)	The Customized Surgery In Primary TKA Trends In Treatment Of Infected Knee Arthroplasty	Aseptic Bone Necrosis In The Foot And Ankle Evidence For New Implants In Foot And Ankle Fracture Treatment	For Massive Irreparable Rotator Cuff Tears (IEE)	Simple Bone Cysts: Is That So Simple? (IEE)	Amputation Surgery And Prosthetic Technology Meniscus And Cartilage: A Life-Long Love Story	Clinical Reports Spine incl. Trauma	Diagnosis And Definition Of Fracture-Related Infection Prevention Of Infection In Primary THA & TKA	Learning Environment - Current And Future Tools (FP Session)	
11:00 11:30 12:00			Complex Tibia Plateau Fractures (DF)	THA Revision 1 (FP Session)		The Succesful Osteotomy (FP Session)	Foot & Ankle Trauma 2 (FP Session)			UNI, TKA And Robotics (FP Session)	ISLASS Session Minimally Invasive Spinal Surgery - Current Evidence And Future Applications	Clinical Reports Musculoskeletal Tumours	Wrong-Site Surgery In Orthopaedics And Traumatology The Dilemma Of Being A Good Doctor	
12:30		EFORT Erwin Morscher Honorary Lecture Reproduce The Diversity In Treatment Of Anterior Shoulder Instability												
13:00							LUNCH BREAK							
13:30 14:00 14:30	Full Day on Advanced Total Hip Replacement	THA Revision 2 (FP Session)	Mass Casualty Incidents Within The Orthopaedics & Traumatology Community (Symposium)	APOA Session - Transformational Concepts (Symposium)		Comprehensive Management Of Difficult Primary TKA (CCD)	Controversies In Ankle Fracture Treatment (CCD)	Cutibacteria And Unexplained Shoulder Pain (Symposium)	EPOS Session :	EKS Session Fixation In Knee Arthroplasty	A Painful Unknown: The Sacroiliac Joint Pain Issues And Complication In Spinal Disorders (FP Session)	Hip Trauma: Guidelines And Pathways (FP Session)	Clinical Reports Hand & Wrist Incl. Trauma	
			FORTE Session						Focus On Paediatric					
15:00 15:30 16:00		Primary THA - Controlled Comparative Studies (FP Session)	Ostheosynthesis Of Tibia (FP Session)	Best National Paper Free Paper Session		Enhanced Recovery After Knee Replacement (Symposium)	Clinical Reports Foot & Ankle incl. Trauma	Miscellaneous Shoulder & Elbow (FP Session)	Trauma	Revision TKA: Why And How? (FP Session)	Diverse Approaches To Scoliosis In Young Children (Symposium)	Elbow & Forearm Trauma (FP Session)	Hand & Wrist (FP Session)	
16:30 17:00 17:30
